Furthermore, the Exhibitors authorize the Organizer to include the information provided by the Exhibitors in the printed and/or digital Official Directory.
4. Compliance with or violations of the Regulations regarding the Exhibitors' behaviors during the exhibition period shall be determined, interpreted, and implemented by the Organizer. The Exhibitors shall have no objection.
5. The organizer prohibits the participation of competitive exhibitions or related exhibition organizers, including subsidiaries or agents of associated enterprises. Exhibitors who register under falsified documents or impersonate others will be ordered to stop displaying and fees confiscated once found. The exhibitor agrees unconditionally to the organizer setting, explaining and executing of the regulation, regardless of whether or not the exhibitor has violated the regulation.
6. The Organizer has the right to plan the exhibition area and the number of booths based on the types of the products exhibited, the actual registration results, and booth demand.
